- 1) Give this website's address, [www.farrsbill.weebly.com](http://www.farrsbill.weebly.com) to your friends and ask them to give it to their friends.** Spread the word by word-of-mouth, emails, Facebook, etc. There is little time for people to find this website, digest the information and get up to speed to make informed comments on the bill by the June 18, 2011 meeting. Your help is needed to quickly get out the message.
- 2) Inform your neighbors who don't have Internet access about the information on this website.** You can print this website's pages from files found on **the PDF page**, and give them to people who don't use the Internet.
- 3) Communicate your support for the bill-changes proposed on this website to Congressman Farr.** You can go to the contact page on Congressman Farr's website [by clicking here](#) (phone numbers are at the bottom of the page).
- 4) Email a copy of the statement you sent to Congressman Farr to [farrsbill@gmail.com](mailto:farrsbill@gmail.com).** If necessary, your comments can be submitted to Congress during hearings on the bill.
- 5) Use the forms below to provide your email address, say what area you live in, offer to help, indicate which changes to the bill you support, and donate. Your email address is most important.** Without your email address it will not be possible to keep you informed with updates. Emails will be sent only when needed.
- 6) After providing your email address below, set your anti-spam software to accept emails from [farrsbill@gmail.com](mailto:farrsbill@gmail.com)** If emails to you are undeliverable you will not be able to receive updates.
